MEMPHIS, TENN., THURSDAY, FEBRUARY 5, 1885.

VOL. XLV-NO. 3

THE Union Square Theater, of New THE DYNAMITERS. York, one of the best establishments of its kind in the country, in every sense, and one that has done a great deal to upliterary advance of the country, has taken the lead in reducing the scale of prices of admission, which hereafter are to be: General admission, seventy-five cents; orchestra and dress circle, \$1, reserved seats in family circle, fifty cents; admis- Clerkenwell Prison and Release the boxes, \$10 and \$8. Of course the other to follow this example, and after them the theaters throughout the country. The next most desirable change is a deep cut Other Arrests—The War in Egypt—Nartheaters of New York will be compelled in the profits of the "stars." They are altogether out of proportion to their merits or their place in the theatrical firmament.

ore as various as the conditions of the cotni trade and the people of the cotton States, and they are to be treated of by ble specialists. Such a convention, with such a purpose, cannot fail to be, in the widest sense, both comprehensive and Fair makes for the South a great oppor-

THE cable-car system of Chicago has ero, en a decided success and must eventully ha extended to every city in the ountry. It affords a rapid method of travel, almost as rapid as steam, is equally as safe as the horse-car system, and is cleaner and more satisfactory. The Chiyears, says: "No man can contend that the Cable Company has not provided ecometion good, chesp, and effective. They deserve their success. The rate of speed is far greater than that attained cable is of from wire and runs on pul- killed and several wounded leys through a long tunnel under the cen-ter of the street. The grip-car is provided

Vz publish this morning an exceedingly interesting letter from Mr. Gladstone to the London correspondent of the New York Tribuar, in which he offers an exalted estimate of the character of Washington, and expresses a hope that the Ediglish-speaking peoples may hereafter be found working together in the interest of civilization. No thoughtful American or Englishman will fail to respond to this a fervent "Amen." We have but to look back along the lines of the last 100 years to really a wint the English-speaking may be to the found to th to reclize what the English-speaking pac- at Cairo to-day, as a reward for their growing closer and closer together, Eng- tivities include a hanquet and drives to republican at every decade. It is no idle boast that Eagland and America dominate the commerce of the world. In America individual liberty is the basis goverol menut; it needs only a few move turns of the wheel to secure the same blessing for every man in the three kingdon. When that comes the actualities do a republican form of government will
